Dear Colleagues,

Please be advised the Request for Children's Services Referral, and the Request for Children's Services Referral Update forms have both been revised.

The information required on the forms and the process remain the same, only the format has been changed to better meet the various referrals and streamline the intake process to meet the community needs.

If you have any questions regarding the revised forms, please contact me directly 905-980-6000 ext. 3870, or the intake staff at 905-980-6000 ext. 3897 for further information.

Wishing you all the best in 2016.

Rosemary Martin, Manager
