Quality Child Care Niagara Report

Phase I Training

Catch up sessions on Documentation, Speech & Language Checklist, and Behaviour Management Checklist will be provided in the fall of 2007 for those Early Childhood Educators who have not yet participated in the training.

Phase II Training (Developmentally Appropriate Program Planning)

Sixteen centres have been selected to participate in the Phase II Training in the fall of 2007. Phase II focuses on developmentally appropriate program planning and makes use of all of the information you have learned about the children in your care through the tools provided by Phase I Training.

Centres that have signed on and have completed the first three components of training will receive their participation plaques for Quality Child Care Niagara at the Annual Awards of Excellence evening on Thursday November 15, 2007.
