

# Helping you have an Eco-Friendly Classroom

**eccdc**  
early childhood community development centre

## Let's Recycle Sorting Game

Sort the pictures into the appropriate recycle or organics bin to develop the children's understanding of and care for the natural world.

## Earth Bingo

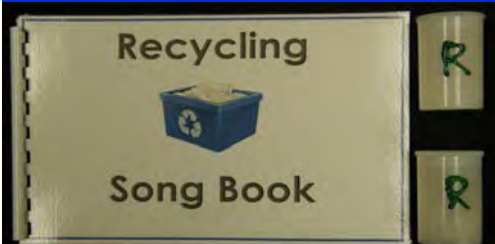

Play Earth Bingo to enhance the children's listening and oral communication skills.

## Recycling Dominos

This activity will enhance the children's oral communication and turn taking skills while they match the pictures on the recycling dominos.

## Recycling Song Collection

Explore sounds, rhythms and language while using this collection of songs to teach the children about recycling and get them interested in taking care of the earth.

## Reusing & Recycling Book

Develop the children's listening skills and interest in reading with this book. Have a discussion with the children about what they can do in their classroom and at home to help the environment.
