Participant Comments:

- ❶ What did you find to be most informative and meaningful?
- ❷ In what ways will you be able to use this information and experience in your daily work with the children?
- ❸ Other comments.

Supporting Children Who Have Difficulty Hearing in the Classroom | January 25

- ❶ I liked how the session was interactive and informative.
- ❶ This was a very informative and interesting workshop. I found it extremely useful to the ECE field.

Intentional Learning Through Play | January 27

- ❷ The information that I received at this workshop will definitely help with program planning, referencing the ELECT and Full Day Early Learning Program. It will also be helpful to plan with the children's interests in mind.
- ❷ I will definitely use the webbing sheet that was provided for my program planning.

Planning Healthy Menus for Early Learning and Child Care | February 4

- ❶ The nutritional values, menu ideas and recipes shared was the most informative.
- ❸ The presenter was clear and concise.
- ❸ I loved preparing the food.

Toddler Time | February 8

- ❶ The literacy ideas and suggestions were awesome and the glove puppet is multi-purpose.
- ❷ I will be able to introduce book knowledge, vocabulary development and sound play to develop emergent literacy in my daily work with the children.

Diverse and Multicultural Classroom | February 10

- ❶ All of the information was meaningful and Carolyn was an excellent and enjoyable presenter.
- ❷ I will keep an open mind and allow the children to learn through their own experiences.
- ❸ This workshop was informative and fun.

Sharing Sensitive News with Parents | February 16

- ❶ I will be able to use the sample scenario sheet that was provided, it is an excellent tool.
- ❸ It was an excellent session.

Program Administration Scale for Supervisors & Assistant Supervisors | February 17

- ❶ I will be setting goals and objectives to better our organization.
- ❶ I plan to review our current practices and develop good systems for both of our programs.

Setting Up Your Early Learning Environment to Support Intentional Learning Through Play | February 17

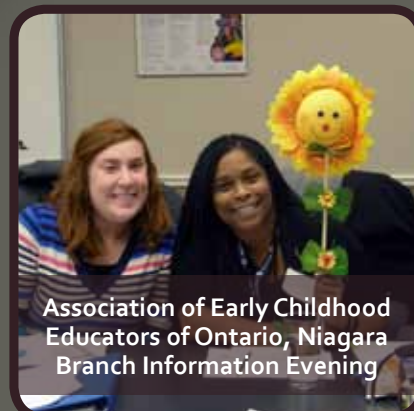

- ❶ I will be able to change my early learning environment to encourage more intentional learning through play.
- ❷ The suggestions for learning environment changes was the most meaningful for me.
- ❸ I really enjoyed the personal feel of this session and liked the open discussions.

Association of Early Childhood Educators of Ontario, Niagara Branch Information Evening | February 22

- ❶ It was interesting to learn how the AECEO will help me in the ECE field.
- ❶ Getting to know the purpose of the AECEO was the most meaningful for me.
