Designed for graduates of Early Childhood Education programs, this post-graduate certificate equips students with the specialized skills needed to support children with exceptionalities and their families. Emphasizing inclusive education, the curriculum covers assessment strategies, individualized programming, and methods for effective collaboration with families and community partners. Students gain valuable hands-on experience through two field placements.

PLACEMENT

Program Highlights:

- › Two unique field placement opportunities tailored to your learning and supported by a field placement officer.
- › Strong focus on inclusive education practices, along with family-centred and strength-based decision making.
- › Flexible learning through online course delivery.
- › Graduates will be qualified to become Resource Teachers as defined by the Child Care and Early Years Act (CCEYA).

Career Opportunities:

- › Childcare agencies
- › District school boards
- › Hospital programs and playrooms
- › Municipal, non-profit or private day care centres
- › Nursery schools and cooperative preschools
- › Parent-child drop-in centres
- › Professional resource centres

Admission Requirements:

Ontario College Diploma in Early Childhood Education, or proof of registry with the College of Early Childhood Educators (CECE); AND Proof of English proficiency

ONLINE DELIVERY

All courses are delivered virtually through a combination of synchronous and asynchronous online delivery. Online programs do not meet in person. Although all delivery is online, how and when students are expected to engage with their courses can vary.
