

Annualized Professional Learning Planning Cycle

Vision and Values

- What personal and professional goals do I want to focus on this year as an educator?
- How are you currently working in a manner that reflects the organization's values?
- What strengths in my practice already align with these goals?
- What excites me or sparks my curiosity in my professional growth and what aspects align with our program's program statement, goals and vision?

Identify Opportunities

- What types of learning experiences have helped me grow in the past?
- Are there workshops, webinars, podcasts, or networks that could support my goals?
- What timeline makes sense for achieving my goals this year?

Learning in Action

- What are my top 3 takeaways from this learning experience?
- How does this relate to my goals and values for my Continuous Professional Learning (CPL)?
- How will I apply these ideas in my daily practice?
- What questions or curiosities have emerged following this learning experience?

Applying Learning

- How has this learning impacted my practice?
- How will I share these ideas with my team? With families?
- How will I document this for my Continuous Professional Learning (CPL)?
- What supports do I need to continue applying this learning?

Planning Next Steps

- What progress have I made?
- What new interests or curiosities have emerged?
- What's the next step in my learning journey?
